Dear DBU Family-

This communication serves as an Emergency Notification in compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act") for the Spring 2021 semester. This notification is meant to ensure you stay informed regarding risks associated with COVID-19 and to understand the important policies and procedures we have in place for the Spring semester.

As part of Clery Act requirements for all universities, DBU must inform the campus community that COVID-19 remains a risk for our campus. DBU is monitoring COVID-19 data both on campus and in the DFW metroplex. DBU will provide updates on confirmed positive cases among members of the DBU family on its website at www.dbu.edu/coronavirus. DBU will provide additional notifications to close contacts (within six feet for 15 minutes or longer) of individuals' who test positive for COVID-19. Those close contacts will receive instructions regarding requirements to quarantine or isolate based on DBU's Health and Safety Policy.

To help keep our community safe, we ask that you continue to follow DBU's four core responsibilities by: (1) Practicing Social Distancing; (2) Wearing Face Coverings; (3) Protecting Yourself; and (4) Reporting, Isolating, and Quarantining. To facilitate the core responsibilities, DBU also requires all faculty, staff, and students to complete a daily health survey at www.dbu.edu/healthcheck. Successful completion of the survey allows faculty, staff, and students to gain access to DBU facilities for that day. Additionally, DBU has provided temperature monitoring and hand sanitizing stations throughout campus.

If you are a DBU employee or student and are sick or believed you have been exposed, please report to DBU online. For immediate assistance, call Health Services, Student Affairs (if you are a student), or Human Resources (if you are an employee).
The CDC website (www.cdc.gov/COVID19), the Texas Health and Human Services (https://dshs.texas.gov/coronavirus/additionaldata.aspx), and the Dallas County Health and Human Services (https://www.dallascounty.org/departments/dchhs/2019-novel-coronavirus.php) also contain current recommendations for the evolving situations.

DBU's Return to Campus Guidebook for Spring 2021 outlines the University's policies and procedures for responding to COVID-19. You can access it at https://www.dbu.edu/coronavirus/spring-2021-return-to-campus-guidebook/.
DBU's Coronavirus Taskforce will further provide you with periodic updates and reminders regarding policies and safety precautions to take by e-mail; however, for additional information and announcements please remember to regularly visit at www.dbu.edu/coronavirus.

Sincerely,

Coronavirus Taskforce

This notification serves as an emergency notification and timely warning to the DBU campus in compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act").
