DALLAS BAPTIST UNIVERSITY EDUCATION PROGRAMS

Dr. Neil Dugger, Dean
Dorothy M. Bush College of Education

"On behalf of the DBU College of Education, we are thrilled that NCTQ has confirmed our long-held belief that Dallas Baptist has excellent elementary and secondary teacher preparation programs. Our students are selected using high standards. They spend many

more hours in the classroom than required by the state, and we consistently engage our alumni after they graduate and pursue their teaching careers. We know that quality teachers, especially Christian teachers, are necessary to make a difference in students' lives and to transform public education. Our graduates fulfill the DBU mission of servant leadership every day."
