Guidelines to Request a
Change of Dependency Status

STUDENT NAME: ____________________________  STUDENT ID: ____________________________

The Office of Financial Aid is required by federal law to consider parental contribution for dependent students applying for federal financial aid unless the student meets one of the following conditions allowed on the 2020-2021 Free Application for Federal Student Aid.

A financial aid counselor or director may override a student’s dependency status if “other unusual circumstances” exist in the family and create a situation where the student must cover his or her educational expenses without the parents’ help. The Department of Education has interpreted the phrase 'other unusual circumstances' in section 480(d)(7) to mean unusual circumstances that make it unreasonable to expect a parental contribution for the student. ‘Unusual circumstances’ could include, but are not limited to:

1. Student has been a victim of domestic violence and no longer resides with parents;
2. Student has been part of an abusive family environment (e.g., sexual, physical or mental abuse);
3. Abandonment by parents (i.e., no contact and no support for at least one year);
4. Incarceration or institutionalization of both parents; or
5. Death of both parents or death of only parent in a single family household.

The following circumstances do not merit a dependency override:

1. Student demonstrates total self-sufficiency;
2. Parents refuse to contribute to the student’s education;
3. Parents are unwilling to provide information on the application or verification documents;
4. Parents do not claim the student as a dependent for income tax purposes.

The law also requires that the determination of unusual circumstance(s) be made each award year. A determination of independence in one year does not mean that the student would automatically be an independent student in a subsequent award year. The financial aid administrator must affirm, in the subsequent year, that the conditions for determining the student to be independent continue to exist and continue to make expecting a parental contribution inappropriate.

*Please note that a Change of Dependency Status processed by another institution is not binding on DBU.*

If you believe you have an unusual circumstance that would make you independent of your parents, complete the following:

☐ **Request for Change of Dependency Status Student Information** - Must be complete and signed.

☐ **Personal letter** - A letter stating your extenuating circumstances, what has caused you to become independent from your parents, when you became independent, and how you have provided for your own necessities (shelter, food, clothing, transportation, medical care, etc.).

☐ **Professional letter** - A letter on letterhead from a guidance counselor, physician, social worker, clergy, or other individual who has been involved in the circumstances in a professional capacity. All letters need to include a telephone number and address where the individual can be reached for follow up questions.

☐ **Reference letters** - Two reference letters from third parties (friend, aunt, uncle, siblings, grandparents, etc.) who personally have knowledge of your situation and who can verify your circumstances. (Attached)

☐ **Current lease or housing agreement**

☐ **2018 IRS Tax Transcript and W2’s**. An IRS Tax Transcript may be requested by calling the IRS at 800-908-9946.

Request for review or evaluation will not be completed until all of the above information is provided as a package. All information provided will be kept strictly confidential.
