

# THE DOUG TABOR ATHLETIC GUESTHOUSE

Doug Tabor, a Dallas native, is a two-time graduate of DBU, receiving a Bachelor of Business Administration in 1990 and a Master of Business Administration with a concentration in International Business in 1992.

Doug is a valuable partner of Air Group - a Radiant Logistics Company, specializing in International and Domestic Freight Forwarding. The metroplex's Air Group is located on site at DFW International Airport. Doug has been with Air Group for over 12 years, and helped guide the company to merge into the public market this past October. During these 12 years he has traveled to over 50 countries.

Among traveling, Doug also enjoys attending all sorts of sporting events, snow skiing, and

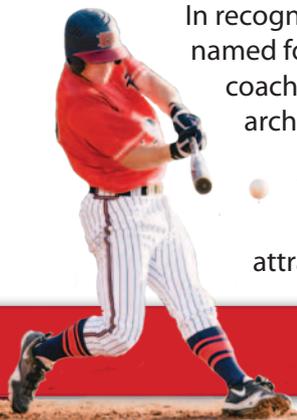

is an avid reader. Doug is a committed member of the DBU family and a strong supporter of DBU Patriot Baseball. Doug served on the steering committee for the Vision of Champions Campaign. His leadership and support was instrumental in the development and recruitment of support for our new Harold and Mildred Sadler Patriot Clubhouse.

"We value Doug's love for DBU and his passion to advance the vision of Dallas Baptist Patriot Baseball," stated Dr. Blair Blackburn, DBU Executive Vice President. "God has blessed our program through his remarkable generosity. Doug has been instrumental in garnering financial support for Patriot Baseball."

In recognition of his generous support and outstanding leadership, the Tabor Athletic Guesthouse was named for him in the fall of 2009. The facility, located adjacent to Patriot Field, features student-athlete, coaches, and umpires' locker rooms. The 2,000 square-foot facility complements the Georgian colonial architectural style that is present throughout the University campus and further contributes to the comfort, hospitality and overall quality experience visiting athletic teams have when they travel to play at Dallas Baptist University.

As Dr. Blackburn explained, "The Tabor Athletic Guesthouse is an essential component of our attracting quality teams to compete against our Patriots at home, while extending the hospitality reflective of the Christian testimony we desire to convey to our guests."
