

STUDENT WELCOME AND TRANSITION WEEK 2012

SWAT 2012 welcomed 591 new freshman and transfer students to the DBU campus before fall classes began on August 20. DBU once again recorded a record enrollment with 5,622 students for the fall 2012 semester. From August 15-18, students participated in activities including small group sessions, recreation, Candle-lighting, Patriot Follies, a pep rally, Patriot Games, and many other events designed to help acclimate the students to DBU life.

On Friday, the students split into groups to serve across the Metroplex at a variety of locations. From playing with children to cleaning apartment complexes, the students learned about needs in their new community and were able to serve their new neighbors.
