In recognition of her distinguished service as first lady of Dallas Baptist University for the last 17 years, the DBU board of trustees voted to name the newest apartment building on campus in honor of Sheila Cook. The official dedication ceremony took place on May 19. Sheila Cook Hall overlooks the DBU pond, is across from the Mike Arnold Fitness Trail, and sits adjacent to the new International Center.

So many can testify to the love that Mrs. Cook has shown to the DBU family. According to DBU Provost Dr. Gail Linam, "Sheila's unparalleled gift of hospitality has touched thousands of students, faculty, staff, and friends who have been welcomed to DBU with compassion and generosity."
