

# TOM LANDRY LEADERSHIP AWARD DINNER

H O N O R I N G

DR. BILL TOLAR

Dallas Baptist University hosted the ninth annual Tom Landry Leadership Dinner on Saturday, April 18, on the DBU campus. The annual event recognizes the lasting legacy of one of North Texas' most famous citizens, Tom Landry, with more than 240 guests in attendance at this year's dinner.

Honored as the ninth recipient of the Tom Landry Leadership Award was Dr. Bill Tolar, former pastor and seminary professor whose ministry has touched the lives of thousands of believers.

This year's honorary chair was Alicia Landry, wife of the late Tom Landry, and the chair for the evening was Dr. Brent Taylor, senior pastor of First Baptist Church of Carrollton. Ron Harris, DBU trustee and president of MEDIAAlliance International, served as the evening's emcee.

The dinner was held in the Hillcrest Great Hall of the John G. Mahler Student Center, followed by the award program, which took place in the sanctuary of the Patty and Bo Pilgrim Chapel. Following the program, attendees gathered in Sadler Hall for a special dessert reception.

Dr. Taylor welcomed the guests in attendance, followed by the Pledge of Allegiance, led by U. S. Congressman Sam Johnson, who was himself the recipient of the first Tom Landry Leadership Award, presented in 2007. Neal Jeffrey, associate pastor of pastoral care and preaching at Prestonwood Baptist Church, provided the evening's invocation. At the conclusion of the meal, Dr. Gary Cook, DBU president, gave a brief word of welcome and invited the guests to proceed to the Pilgrim Chapel for the continuation of the program.

Upon entering, the DBU Grand Chorus, under the direction of Dr. Steve Holcomb, DBU professor of music and chair of choral studies, provided a medley of patriotic songs.

Ron Harris greeted those gathered in the sanctuary and introduced Dr. Cook, who shared about various events taking

place on the DBU campus, as well as two special *DBU Reports* that were passed out. The first issue is designed to highlight the signs and symbols that mark DBU as a Christ-centered institution. "The reason we published this issue," explained Dr. Cook, "is because we felt like the Lord prompted us to impress upon our students to follow Jesus and take Him wherever they go." The second *DBU Report* issue features the buildings on campus. This special edition highlights the journey of building a college campus over the tenure of Dr. Cook's presidency. Each new construction, each new renovation, and each new facility has been fully paid for without incurring any lingering debt. According to Dr. Cook, "This wonderful accomplishment is thanks to the hard work of so many who have served and helped DBU through the years. Yet more than all of that, it is a testament to the faithful provision of God who answers prayers and can make streams of living water run throughout a desert."

After Dr. Cook's remarks, Ron Harris returned to the podium to introduce a special video tribute in honor of Dr. Bill Tolar. Dr. Tolar has served faithfully for many years in Tarrant County

and the entire state of Texas. Born in Louisiana, Dr. Tolar turned down a full four-year academic scholarship to LSU in order to study ministry at Baylor University. Graduating from Baylor with bachelor's and master's degrees, Dr. Tolar continued his education to earn both Master of Divinity and Doctor of Theology degrees from Southwestern Baptist Theological Seminary. He has been selected as "Distinguished Alumnus" by both of his alma maters.

Since 1950, Dr. Bill Tolar has been serving churches and the Baptist denomination in many different capacities. He served as pastor for three different churches, Welborn Baptist Church, Speegleville Baptist Church, and Central Baptist Church, as well as interim pastor for more than 50 different churches.

In the 1960s, Dr. Tolar began his career as a professor at Southwestern Baptist Theological Seminary. For the next 40 years, he would serve as dean of theology, vice president for
